OFFER OF EARLY HELP

The Early Help Offer is an approach not a service.

Providing early help is more effective in promoting the welfare of children rather than reacting later on. Early help means providing support as soon as a problem emerges.

It respects every family's right to access information to help manage their own lives successfully, whilst guiding them to seek support from appropriate sources.

The 'Offer' is for all children, as issues may arise at any point in a child or young person's life. It includes both universal and targeted /specialist services, to reduce or prevent concerns from growing or becoming any more serious.

- Help is there when parents, children and young people need it
- Together we will find a way forward that is right for everyone – there is a choice of help and it will be easy to access
- Families are at the centre of everything we do
- There are a number of support agencies that parents/carers can contact independently. Staff can signpost to relevant support.
- Gloucestershire Local Authority have an Offer of Early help with outlines some of the support

Forest Families First Plus Team

This is a network of Early Help co-ordinators and community support workers who work alongside other professionals. With parental consent, we are able to make a referral for support to this team. They will meet and decide who will be best placed to meet the required needs.

School Nurse

All schools have links to a school nurse. We are able to give you contact details and advice about the services they provide.

Radicalisation

“Radicalisation” refers to the process by which a person comes to support terrorism and forms of extremism leading to terrorism. Extremism can take several forms, including

Islamist extremism, far-right and animal rights. Staff have been trained in line with the new Prevent Duty (2014)

Esafty

Technology is constantly changing as is how we keep people safe whilst still enjoying the many benefits of using the internet. Staff undergo regular esafty training every two years. We inform parents about safety through class dojo and through our curriculum. We use outside experts to deliver this and train our staff. Lessons are delivered to children on a yearly basis with ongoing reminders and discussions. The CEOP website offers some really useful guidance <http://thinkyouknow.co.uk> <http://www.childnet.com/resources/>

There is also guidance and practical advice on the NSPCC website: NSPCC.org.uk

Mental health

If a child needs support we will signpost to the most relevant support. This may be medical support, advisory support or a counselling service. We will refer to a school nurse, 'Families First' or CAMHS (Children and adolescence mental health services) if needed.
